

# LOHS ALUMNI

Lone Oak is rooted in tradition over many generations of alumni who have graduated from Lone Oak High School. Many of our alumni faithfully serve our children as teachers or administrators, carrying on the excellence in education for which Lone Oak is well known.

Lone Oak has third and fourth generation Lone Oak graduates still in the area. The Lone Oak Education Foundation wants to celebrate those traditions and memories that so many people cherish. We want to help connect and build those relationships of the present, as well as the past.

Education comes in many forms. Today's students attending Lone Oak ISD, should have the opportunity to learn the history behind the individual schools they attend, and the school district through which they are served. Stories of the past are not only interesting, but they can be inspiring, surprising and many times, very funny... although, what is funny now, may not have seemed so funny back then!

The Education Foundation has established a LOHS Alumni Committee, representing different generations of Lone Oak graduates. They will be working on generating ideas to connect all Lone Oak alumni through events, activities, and various forms of communications.

If you are a Lone Oak High School alumni, please share some very general information with the Alumni Committee, so they can notify and include you in those events. We would love to hear from you whether you are near or far!

**Our alumni present us with a unique opportunity to build a foundation of support to be a strong public school.**
